Participants Brief 2026

WELCOME LETTER

Welcome to Barclays Moontrekker 2026.

To help us create a smooth event, please take the time to familiarise yourself with the points below – even if you have joined us before. Please check our website for key details and last-minute updates. This will help us to ensure you have the best experience possible.

Please arrive no later than 30 mins before your race starts (allow at least 15 minutes walking time from the ferry pier to the start area). There are a few restaurants locally if you arrive early.

Race Start

The start line is at the Mui Wo football pitch, Ngan Shu Street – next to the public swimming pool. Start times below (make sure you check our website for any last-minute changes):

Sunrise 40 – solo category only:	Race starts at 8.05pm.
Sunrise 40 – all other categories:	Race starts at 8.15pm.
Moonlit 30 – solo category only:	Race starts at 9.55pm.
Moonlit 30 – pair category only:	Race starts at 10.20pm.
Moonlit 30 – team/corporate team only:	Race starts at 10.40pm.
Intro 20 – all:	Race starts at 10.50pm.

Water

You **must** bring your **own container to receive water/other drinks** (we will not distribute any cups). Water is not provided at the start line. Water and bananas are available at all checkpoints. For the Sunrise 40, there will be no water stops for the first 18km.
We will only provide pre-mixed sports drinks for the front runners (you have all been given your own Aquarius sachets).

Bibs

Do not cut, fold or bend your bib as it contains your race timing chip. Place it at your front. We cannot replace lost bibs.

Check Points

Please note closing times below. Participants arriving after this time MUST withdraw from the race.

Checkpoint 1:	**Checkpoint 2:**	**Checkpoint 3:**	**Checkpoint 4:**	**Finish Line:**
1.00am	2.00am	4.15am	5.45am	9.30am

Ferries
(Central pier 6)

To minimize impact on Lantau residents, it is imperative that we distribute participant arrivals across several ferries. Please help us by adhering to the times listed below. Since the ferries will be operating at full capacity, we kindly ask you to help us and consider avoiding these ferries by arriving at Lantau earlier (for dinner/work at a friend's etc.) or by traveling via Tung Chung. Please arrive at least 15 minutes before your ferry departs.

Early arrivals:	4.30pm/5.20pm/5.40pm/6.00pm
Sunrise Solo 40 only:	6.30pm
Sunrise Pair/teams/corporate teams:	7.00pm
Moonlit 30 solos only:	8.00pm
Moonlit 30 pairs only:	8.40pm
Moonlit 30 teams/corporate teams:	9.00pm (special MoonTrekker additional sailing)
Intro 20 all entries:	9.20pm

Baggage limit (4kg)

We will be handling over 6 tonnes of check-in bags and will therefore **STRICTLY enforce a $100 fee** for any bags weighing **over 4kg** and will refuse any bags above 8kg. We cannot accept laptops, suitcases, briefcases, handbags, or similar items. The bag drop service is intended for a change of clothes only, not valuables. We are unable to take responsibility for any loss or damage. Bags will not be stored securely, will be tossed around, and will get wet if it rains, so please place your belongings inside a plastic or waterproof bag within your main bag. Please help our volunteers by following these guidelines.

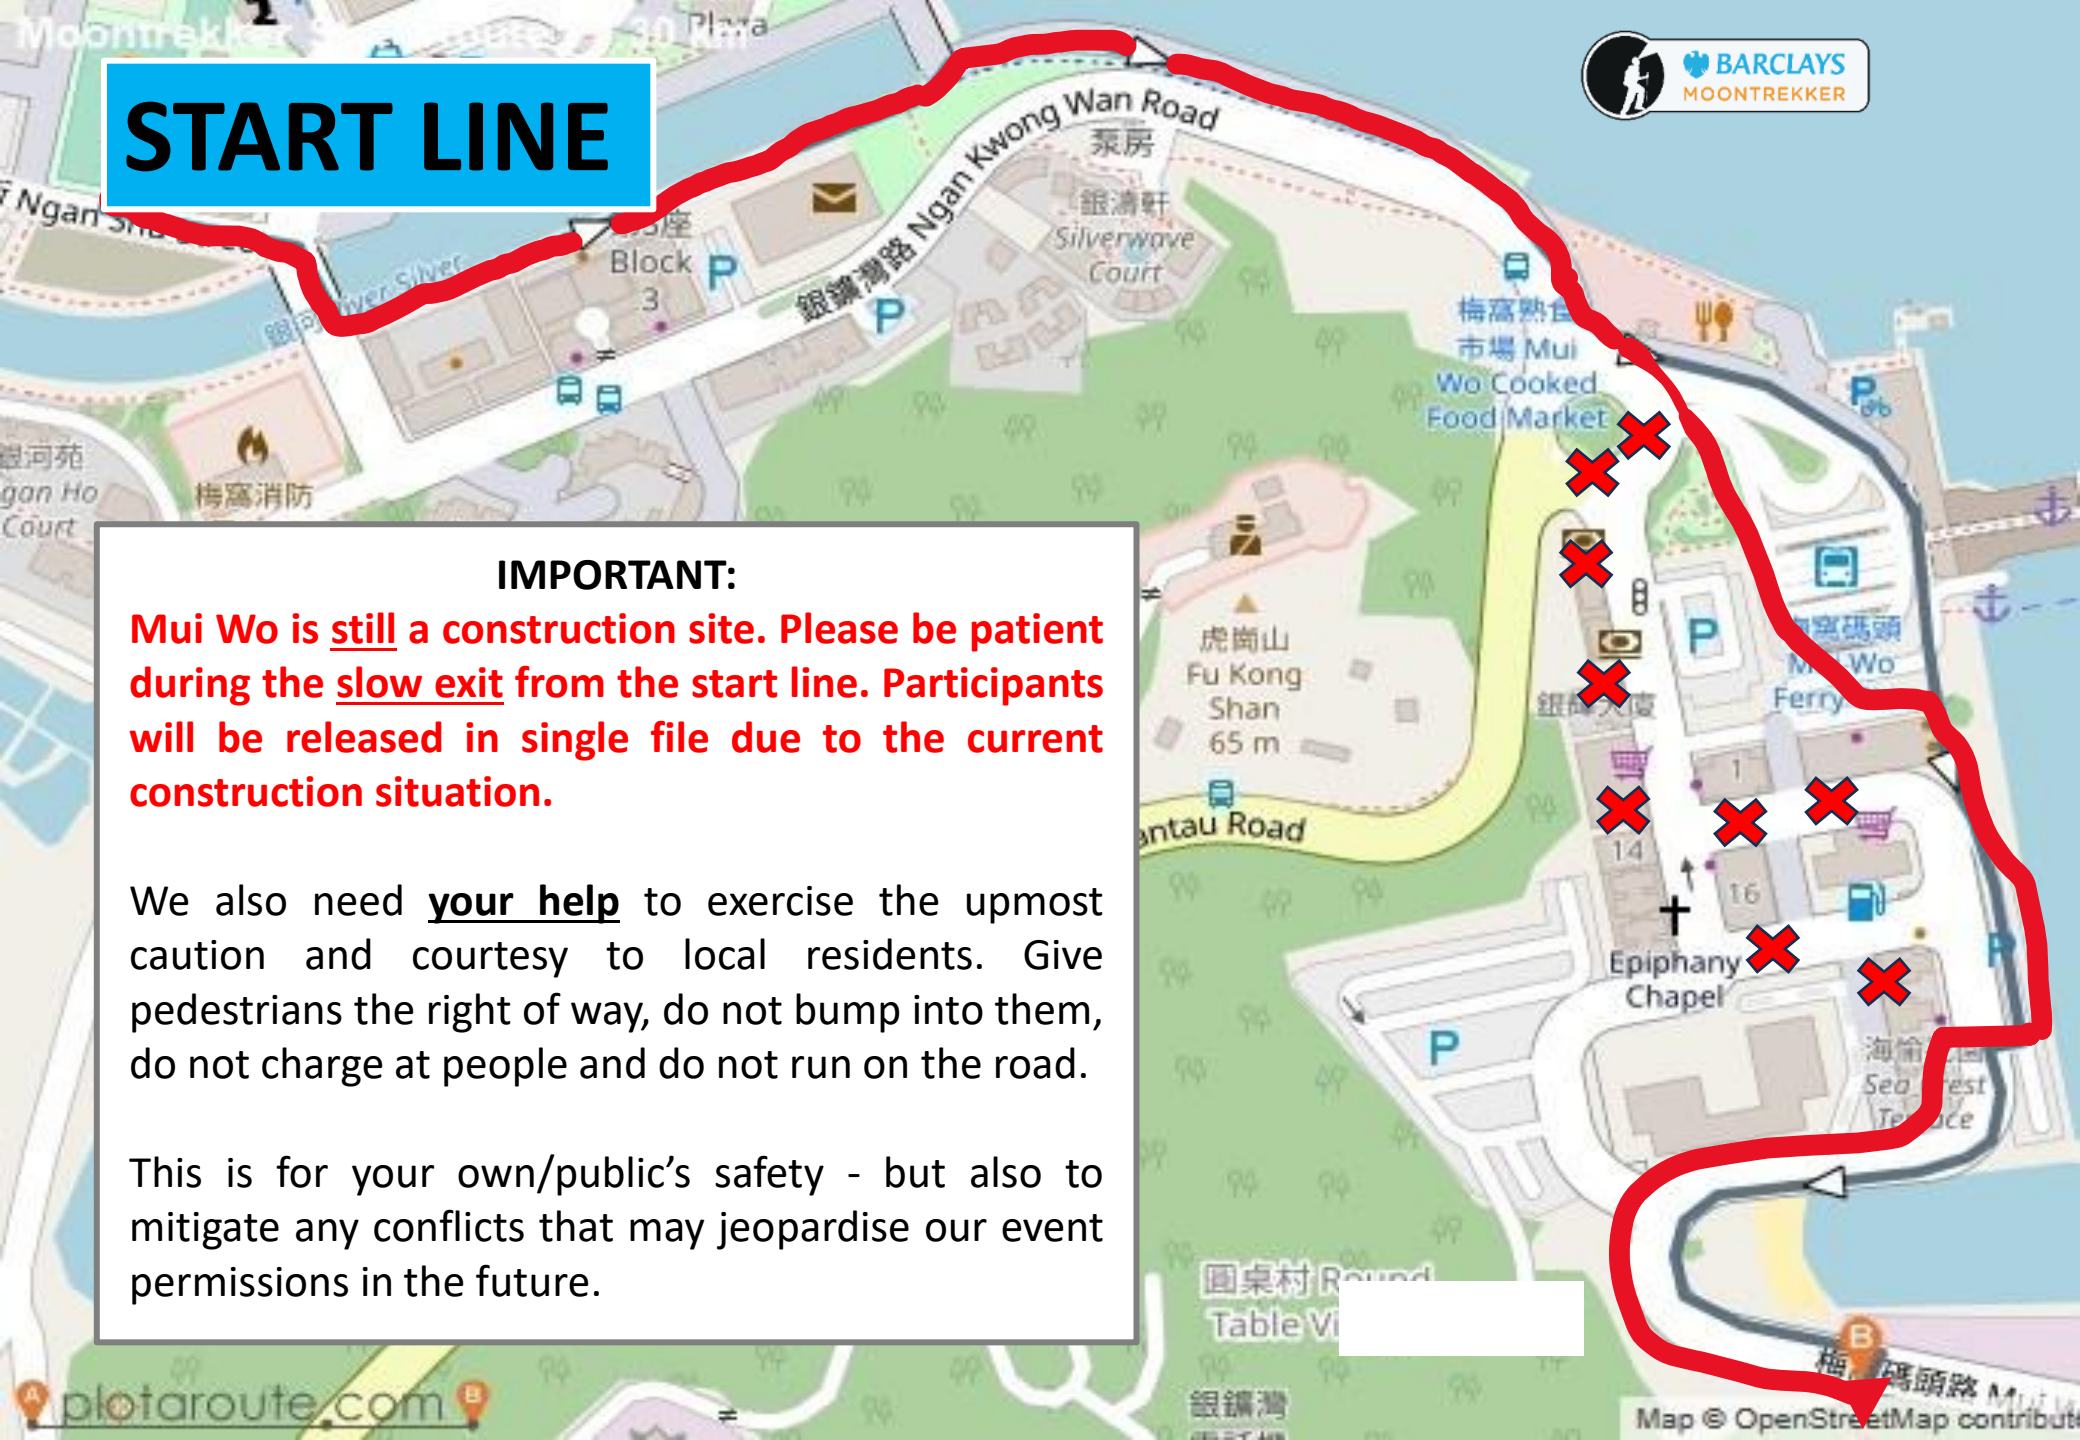

Please make sure you have read the Click here: Welcome Letter.

Overseas participants can collect their pack at the start line (overseas counter).

FERRY TIME

We are required by the transport department (as a condition of our event permit), to minimise disruption to Lantau residents and commuters. Please help us and take the appropriate ferry listed in the welcome letter.

IMPORTANT:

Mui Wo is still a construction site. Please be patient during the slow exit from the start line. Participants will be released in single file due to the current construction situation.

We also need **your help** to exercise the upmost caution and courtesy to local residents. Give pedestrians the right of way, do not bump into them, do not charge at people and do not run on the road.

This is for your own/public's safety - but also to mitigate any conflicts that may jeopardise our event permissions in the future.

WATER

The weather is still hot. You should hydrate well before the race. We recommend you bring a minimum of 15L to 1.5L water container and know the distances between CPs.

BARCLAYS MOONTREKKER

DISTANCE

[Please check the map and download the GPX files]

With the detour, the distances are approximately:

Intro 20 – 22km
Moonlit 30 – 32km
Sunrise 40 – 42km

BARCLAYS
MOONTREKKER

ROUTE/SIGNAGE

It is your responsibility to either:

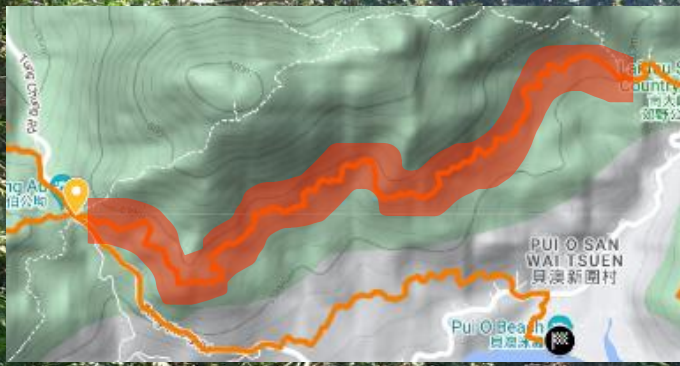

1 – know the route.

2 – hike with someone who knows the route.

3 – download the GPX from our website.

Markings get displaced, and should not be relied on.

EXTRA CARE FOR DEEP DROPS

CP2-CP3: South Lantau Country Trail ‘Sunset Peak Contour’

**You should use extreme caution overtaking on this section. There are hidden deep drops.

1) Politely alert people in good time, when overtaking.
2) Pull to the side when participants are overtaking.
3) Be patient.

PAK KUNG AU –

Road Crossing x2

**You should be extremely careful crossing the roads.

See you on the 30th October…

HKSOS 12+

Hong Kong Police Force

What is HKSOS?

HKSOS is the most important outdoor safety app designed to save lives and speed up the response time of rescue services in life-critical missions. It is directly linked to the 999 Call Center and becomes your lifeline in an emergency.

HKSOS generates unique SOS signal that can be picked up by emergency units even in extreme conditions. When SOS is triggered via the app, the 999 Call Center will be alerted and provided with your precise location information so that emergency teams can swiftly reach you for assistance .

https://play.google.com/store/apps/details?id=com.sosapp.user&hl=en

https://apps.apple.com/hk/app/hksos/id1671480993

The HK Police recommends all participants to download the HKSOS app prior to the event. This should only be used in a real emergency. MT is support by our own first aid teams (number on your bib).
