Abolition of Restrictions on Trail Races

Thank you for your letter to the Secretary for Health dated 6 October 2022. We have been authorised by the Secretary for Health's Office to reply as follows –

Despite the unstable epidemic situation, the Government has always been in communication with the stakeholders to consider how sports activities could be held in light of the need of anti-epidemic measures, and to fine-tune relevant requirements to cater for different sports activities.

The Government will continue its close liaison with all sports associations for their proposed events. Sports associations may also contact the Culture, Sports and Tourism Bureau for assistance in such applications. Thank you.

Yours sincerely,

(Wesley LAI)
for Secretary for Health
